Hand-decorated mirrors and mixed-media works from the Creations from a Cotswolds Studio.

ABOUT THE ARTIST

Steve Allen

Creations From A Cotswold Studio was started by founder Steve Allen purely because of a love of painting with vibrant colours..

All paintings produced are bright, colourful and most importantly eye catching. Vivid colour changes the feeling of a room, it can lift a space and change the mood when done right.

We use old mirrors as our base and give them a new lease of life.

Based in: The Cotswolds

All artworks are hand painted and fully copyrighted.
